

FIRE RETARDANT SACK HOLDER FIXED BODIED INTERNAL RECYCLING BIN

The Fixed Bodied Fire Retardant Sackholder is exceptionally robust and available in 17, 64 and 82 litre capacities, perfect for busy or compact spaces respectively. This fire retardant bin is a cost effective and practical solution for any busy environment. The bin lid is available in a range of colors to accommodate various waste streams.

Manufactured from Zintec steel, the Fire Retardant litter bin undergoes a multi-stage degreasing and washing process, giving it superior durability and protection.
