

STRANGFORD 40L POST MOUNTED LITTER BIN

The Strangford is our flagship range of outdoor litter bins. This post mounted litter bin has a capacity of 40L and comes complete with liner. Featuring a front opening door with a slam lock mechanism, this post mounted bin is durable, practical and is available in a variety of colours.

Using advanced engineering processes such as multi stage degreasing and washing, the Strangford range is manufactured from zintec steel resulting in permanence, a high quality finish and supports the environment and related company objectives. For efficient access and servicing, the bin also acquires stainless steel hinges, locks and strike plates.
